

Adding DOC to Rosters

There are two ways to add the DOC's to the team roster.

Option 1: Add Multiple DOC or Add in Bulk to Multiple Teams

Add the DOC to the Security tab of your club

Search for the DOC by clicking on the "Find/Add Admin with Approved Risk Status"

Please note in order for the DOC to appear in the Find/Add Admin search feature the DOC needs to have an approved status and needs to have an application with your club.

User Type: Director of Coaching

Level of Access: Can be left unchecked unless the DOC will also be doing Club responsibilities

Save Changes

Once the changes have been made, the DOC(s) will appear in the Official CSA Roster under the Team Admins

Option Two: Add the DOC to the team directly

Go to Teams in Navigation

Go to Team Lookup

Search for the team and click on the team

Go to the Roster Admin Tab

Search for the DOC and click on the name

Next, click on the Dir of Coach flag to add

Save Administrators

{Click Name and Click Dir of Coach screenshot}
