

COLORADO SOCCER ASSOCIATION SAFE SOCCER POLICY

(EST. 12/3/2020)

INTRODUCTION

This policy was developed to meet the requirements set forth by Public Law 115-126 *Protecting Young Victims for Sexual Abuse and Safe Sport Authorization Act of 2017* (the “SafeSport Act”) as well as U.S. Soccer Policy 212-3. The Colorado Soccer Association (CSA) Safe Soccer Policy sets the standard for all member organizations as part of requirements for **Colorado Soccer Association’s Safe Soccer Policy**. This program is available on CSA’s website at (*****) and will be updated as required.

CSA has a zero-tolerance policy for abuse and misconduct. All participants in the soccer community must play an active role in creating an environment free from emotional, physical, or sexual abuse. In that regard, the policy set forth was developed to help all participants detect and report abuse, respond to it and prevent future occurrences. To comply with U.S. Soccer Policy 212-3, this policy includes six (6) key components: Prohibited Conduct, Mandatory Reporting, Background Checks, Education and Training, Limiting One-on-One Interactions (Minor Athlete Abuse Prevention Policies) and Enforcement.

ADULT PARTICIPANTS, MINOR ATHLETES, AND POLICY EXCEPTIONS

This policy uses the term “Adult Participants” to refer to those adults (aged 18 years and older) to whom these policies apply. Adult Participants are required to follow all policies included in CSA’s Safe Soccer Policy. Adult participants are defined as any adult (18 years of age or older) who is:

1. A member or license holder of a National Governing Body (NGB), Paralympic Sport Organization (PSO), Local Affiliate Organization (LAO), or United States Olympic and Paralympic Committee (USOPC);
 - a. The United States Olympic and Paralympic Committee certifies U.S. Soccer
 - b. U.S. Soccer is CSA’s National Governing Body
 - c. CSA is a local affiliate of U.S. Soccer and US Youth Soccer
 - d. Member clubs and leagues are local affiliates of CSA
2. An employee or board member of an NGB, PSO, LAO, or USOPC;
3. Within the governance or disciplinary jurisdiction of an NGB, PSO, LAO, or USOPC; or
4. Authorized, approved, or appointed by an NGB, PSO, LAO, or USOPC to have regular contact with or authority over Minor Athletes.

CSA defines Adult Participants as:

1. Organization Board Members, Officers, and Directors;
2. Organization Employees and Independent Contractors;
3. Coaches and Trainers;
4. Team Managers and Club Administrators;
5. Tournament Directors;
6. Adult TOPSoccer Buddies;
7. Athletic Trainers;
8. Referees - *while Referees, Referee Coaches, Referee Mentors, Referee Assignors and other Referee Program affiliated personnel are expected to comply with these policies due to their participation in CSA’s programming, it is understood that these individuals are also subject to policies set forth by **State Referee Committee** and/or U.S. Soccer Policy. All U.S. Soccer Referees will continue to complete their background Check and education and training through the Referee Committee. They are, however, subject to the other four (4) components of this policy; and*
9. eSports Moderators - *individuals “refereeing” electronic participation in online gaming for Minor Athletes to ensure no prohibited conduct as named below is occurring on the platform. These individuals will need to complete the required Education and Training with respect to Safe Sport, as well as understand the required policies for one-to-one interactions with Minor Athletes. eSports Moderators are required to clear their employer’s background Check.*

Many aspects of this policy are issued to protect "Minor Athletes" who participate in CSA's programming. A Minor Athlete is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, an NGB, PSO, USOPC, or LAO. Although this policy focuses in many areas on concerns unique to Minor Athletes, these may be applicable and are designed to protect participants of all ages.

Please note that a "Close in Age" Exception exists within the different components of this policy. This exception applies to certain policies and allows for "In-Program" contact between an Adult Participant and a Minor Athlete if:

- The Adult Participant has no authority over the Minor Athlete; and
- The Adult Participant is not more than four (4) years older than the Minor Athlete.

There are also exceptions for Adult Participant Personal Care Assistants or TOPSoccer Buddies (PCA) working with a Minor Athlete. A PCA is an individual who assists an athlete who requires help with the activities of daily living or in preparation for athletic participation. This support can be provided by a Guide for Blind or visually impaired athletes, or can include assistance with transfer, dressing, showering, medication administration, and using the restroom. When assisting a Minor Athlete, PCAs must be authorized by the athlete's parent/guardian. For a PCA to be considered an Adult Participant, the PCA must have Regular Contact with additional Minor Athlete(s) besides the Minor Athlete for whom they provide care, or the PCA must be hired by CSA or a member organization. In these circumstances, the following requirements must be met before a PCA Exception will be granted:

1. The Minor Athlete's parent/guardian must provide written consent to the CSA or the member organization for the PCA to provide care/work with their Minor Athlete; and
2. The PCA must complete the required training as defined in the Education and Training Policy; and
3. The PCA must meet all Check requirements of the CSA or the member organization.

Further, Adult Participants with a dual role or relationship with a minor creates an exception to certain policies set forth within this document. A "Dual Relationship" exception exists when:

- An Adult Participant has a dual role or relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete's parent/guardian at least annually.
- Many of the exceptions require parent/guardian consent.
- Examples of a dual role relationship can include, but is not limited to:
 1. Adult Participant who is a Parent/Guardian of a minor athlete;
 2. Adult Participant who is an Aunt/Uncle of a minor athlete; or
 3. Adult Participant who is a family friend of a minor athlete.

"In Program" contact includes CSA Sanctioned events and facilities, but it also applies more broadly to sport-related interactions, and is defined as:

- Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

PROHIBITED CONDUCT

It should be noted that all defined Adult Participants and Minor Athletes of CSA's programming are subject to specific prohibited conduct as outlined and defined in the U.S. Center for SafeSport's [SafeSport Code](#). Prohibited behaviors include harassment, sexual harassment, racial, religious, or national origin harassment, child sex abuse, sexual misconduct, emotional misconduct, physical misconduct, bullying and hazing. All Adult Participants have an obligation to cooperate in any investigation of a complaint of misconduct, including providing all information concerning the complaint. Failure to do so may be a direct violation of this policy. Any violation of this Prohibited Conduct Policy by Adult Participants or Minor Athletes may subject the individual

to disciplinary action and CSA prohibits any retaliation against individuals making good faith reports of misconduct, including potential violations of this Prohibited Conduct Policy by Adult Participants for Minor Athletes.

1. **Harassment** - repeated and/or severe conduct that causes fear, humiliation or annoyance, offends or degrades, creates a hostile environment, or reflects discriminatory bias in an attempt to establish dominance, superiority or power over an individual or group based on age, race, ethnicity, culture, religion, national origin, or mental or physical ability; or any act or conduct described as harassment under federal or state law.
2. **Sexual Harassment** - any unwelcome sexual advance, request for sexual favors, or other unwanted conduct of a sexual nature, whether verbal, non-verbal, graphic, physical, or otherwise. Sexual harassment can also include harassment related to gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature.
3. **Racial, Religious or National Origin Harassment** - includes any verbal, written or physical act in which race, religion, or national origin is used or implied in a manner which makes a reasonable person uncomfortable in the environment. Examples include but are not limited to: jokes, which include reference to race, religion or national origin; the display of objects or pictures which adversely reflect on a person's race, religion or national origin; or use of pejorative or demeaning language regarding a person's race, religion or national origin.
4. **Child Sexual Abuse** - any sexual activity with a child is prohibited. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception, or the child understands the sexual nature of the activity.
5. **Sexual Misconduct** - any sexual interaction between an athlete and an individual with evaluative, direct, or indirect authority is prohibited. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative. This section does not apply to a pre-existing relationship between two spouses or life partners.
6. **Emotional Misconduct** - a pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to another person. Non-contact behaviors include verbal acts, physical acts, or acts that deny attention or support; or any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect). Emotional misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athletic performance.
7. **Physical Misconduct** - is defined as contact or non-contact conduct that results in, or reasonably threatens to, cause physical harm to another person; or any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault). Physical misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athletic performance. For example, hitting and punching are well-regulated forms of contact in combat sports but have no place in soccer.
8. **Bullying** - intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s), as a condition of membership are prohibited. Bullying does not include group or team behaviors that (a) are meant to establish normative team behaviors, or (b) promote team cohesion.
9. **Hazing** - coercing, requiring, forcing, or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group, or (b) being socially accepted by a group's members are prohibited. Hazing does not include group or team activities that (a) are meant to establish normative team behaviors, or (b) promote team cohesion.

MANDATORY REPORTING

All Adult Participants of CSA are mandatory reporters of any known or suspected child abuse. All reports must be made to the appropriate [law enforcement authorities](#) within 24 hours; the abuse does not need to be confirmed. Adult Participants should never seek to conduct their own investigations.

CSA does not tolerate retaliation of any kind. Any Adult Participant or Minor Athlete who makes a good faith report will not be subject to retaliation, including harassment, as a result of making a report. The *SafeSport Act of 2017* also includes qualified immunity for good faith reports. The obligation to report is not always satisfied by making an initial report and an Adult Participant is required to report supplemental information of which he/she becomes aware that may be relevant in a pending investigation.

As CSA is now required to have a mechanism for all individuals (adults and minors) to report abuse, all are encouraged to utilize the “[Report An Incident](#)” feature with the CSA digital compliance platform. Regardless of the method for reporting any known or suspected child abuse, all Adult Participants of CSA are also required to report the information to CSA.

BACKGROUND CHECKS

Pursuant to U.S. Soccer Policy 212-3, CSA’s Background Check Policy is in place to set forth requirements pertaining to appropriate background checks. This Background Check Policy does not apply to individuals under 18 years of age. All Adult Participants shall be known collectively as “Adult Applicant” for the purposes of this Background Check Policy.

Any athlete, referee, coach, or otherwise, who is under the lesser of (1) the age of 18, or (2) the age of majority in the applicable state and who is participating in CSA Sanctioned activities and competitions, will be known as a “Minor Athlete” for the purposes of this Background Check Policy.

Every Adult Applicant is required to apply for a background Check every two (2) years by using the CSA digital compliance platform by the earlier of 1) prior to regular contact with a Minor Athletes; or 2) within the first 45 days of the Adult Applicant taking on the role giving them access to Minor Athletes.

A comprehensive background Check, including a national search, national sex offender search (50 states plus U.S. territories) and 7-year county of residence criminal record search will be conducted on every Adult Applicant submitted every two (2) seasonal years valid through July 31 biennially. In addition, all Adult Applicants should be vetted against CSA’s suspension database, U.S. Soccer’s disqualification list and the [SafeSport Centralized Disciplinary Database](#). The complete [CSA Background Check Policy](#) is available here.

EDUCATION & TRAINING

The following Adult Participants must complete the *SafeSport Trained* Course through the CSA digital compliance platform:

Minor Athlete Training

REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

CSA recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

ONE-ON-ONE INTERACTIONS

All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances.
