- D. CLUBS must respond to USL Academy communication efforts within 72 hours.

#### **Rule 102 - Compliance with Minimum Standards**

The minimum standards for competition in the USL Academy League are applied to all CLUBS. CLUBS that do not meet minimum standards run the risk of jeopardizing their status as members of the USL Academy League. It is important for all CLUBS to adhere to these minimum standards to uphold the high standards of professionalism the USL Academy League has.

CLUBS are required to comply with the defined minimum standards. The LEAGUE Director shall have the power to penalize CLUBS, individual CLUB members or officers for non-compliance with minimum standards. Penalties will consist of warnings, loss of points, fines and temporary or permanent suspension from soccer activities.

#### **Rule 103 - Compliance Assessment**

Following each season, the USL Academy League staff shall review the compliance record of each CLUB. ### Rule 206 – Standings and Tiebreakers

USL ACADEMY is responsible for keeping the official league standings. These are tabulated on a regular basis, displayed on the USL ACADEMY website, and/or distributed to all clubs. Final LEAGUE standings will be displayed using points-per-game to dictate placement, with the following tiebreakers used as needed.

The following guidelines will be used to implement USL ACADEMY tiebreakers for all ties involving three or more teams:

1. The tiebreaker will determine the winner first.
2. The tiebreaker will continue within the same category to determine if other ties can be broken.

Breaking Ties in the LEAGUE Standings – The breaking of ties in the final standings, playoffs and finals is accomplished by applying the following criteria, in order of importance:

1. Total points in Head-to-Head record in LEAGUE games. <sup>(A, B)</sup>
2. Goal difference in LEAGUE games. If number of games is unequal, the Game Average <sup>(C)</sup> will be used.
3. Total wins in LEAGUE games. <sup>(C)</sup>
4. Goals scored in LEAGUE games. <sup>(C)</sup>
5. Goals conceded in LEAGUE games. <sup>(C)</sup>
6. FIFA Fair Play – Team with fewest disciplinary points in LEAGUE games. (If number of games is unequal, points will be divided by games played to arrive at a common basis for comparison.)
7. Lottery conducted by USL ACADEMY.

**A.** LEAGUE games refer solely to games that count towards the regular season standings. Open Cup specific games are not “LEAGUE games” when it comes to determining placement in the LEAGUE standings. (When using these criteria as tiebreakers for Open Cup groups, “LEAGUE games” should be interpreted as only games that count toward Open Cup group standings.)

**B.** Should more than two (2) teams involved have played each other an unequal number of times, this tiebreaker will be skipped.

- C. Game Average = Tie Breaker / number of games played (i.e., goals scored / number of games played).

#### Wild Card Tie Breaker

Division winners for each Academy LEAGUE division shall automatically qualify for the USL Academy Playoffs, provided they have met the minimum considerations outlined in Rule 208. If there are an odd number of division winners, an additional position will be awarded to the 2<sup>nd</sup> best Regional Division CLUB based on Points per Game with a minimum of two seasons played and at least 12 Official League games played. Should there be additional tiebreakers needed, the following will take effect:

1. Goal difference in LEAGUE games.<sup>(A)</sup>
  2. Total wins in LEAGUE games.<sup>(A)</sup>
  3. Goals scored in LEAGUE games.<sup>(A)</sup>
  4. Goals conceded in LEAGUE games.<sup>(A)</sup>
  5. FIFA Fair Play – Team with fewest disciplinary points in LEAGUE games. (If number of games is unequal, points will be divided by games played to arrive at a common basis for comparison.)
  6. Lottery conducted by USL ACADEMY.
- A. Game Average = Tie Breaker / number of games played (i.e., goals scored / number of games played).

Should the LEAGUE decide to allow more than one Wild Card winner entry into the Playoff Division of the postseason tournament, there will not be more than one Wild Card per LEAGUE Division entered.

#### Playoffs

During LEAGUE Finals, games ending in a tie after regulation will play two 15-minute overtime periods. If the match still remains tied after the overtime periods, FIFA kicks from the mark (penalty kicks) will determine the winner.

#### **Rule 207 – Substitutions**

Substitutions are allowed at any stoppage, but Clubs will have three “moments” to use their allotted substitutions. Injury substitutions will count as a moment if the injured player is unfit to return to the game. Substitutes made during the half time break do not count as a moment.

In games where extra-time is needed to decide a winner, substitutions made during the break between the end of regulation time and the beginning of extra-time do not count as a moment. Teams may make substitutions during this stoppage, provided they have not used all (7) of their allowed substitutes. Teams may use any leftover moments during Extra-time that were not used

during regulation time (Ex. Team has used [2] moments during the initial 90-minute regulation time. The team may make use of their final moment during the time between the kick-off of extra-time and the conclusion of extra-time.)

Substitutes shall report to the Fourth Official or Field Marshal at midfield and may not enter the field without permission of the referee. Teams may make a maximum of (7) substitutions per game with no re-entry across (3) moments.

#### Goalkeeper Substitution

The goalkeeper may change places with a field player as long as the referee is informed of the change and the change is made during a stoppage in the match. Note: *Delay or time wasting is not acceptable during the exchange process. The match should not be held up to allow for a complete change of equipment by either player.*

#### Head Injury Substitution

Following extensive consultation related to finding ways to improve the in-game management of possible neurological head injuries in football matches, the BoD has taken careful note of the recommendations from meetings of both The IFAB Football and Technical Advisory Panels and the Concussion Expert Group (which consists of medical concussion experts, team doctors, players/coaches, and refereeing and legal/Laws of the Game experts).

Based on these recommendations, the BoD strongly agrees that, where there is any suspicion about a player having been concussed, the player should be protected by being “permanently” removed from the match and to facilitate this, the player's team should not suffer a numerical disadvantage as a result of prioritizing the player's welfare. USL Academy has taken the recommendations of the groups above to set standards for Head Injury Substitutions. This rule is subject to change during the season pending updated recommendations based on the health and safety of the players. Updates will be communicated to CLUBs should they occur.

#### Principles

- Each team is permitted to use a maximum of two “concussion substitutes” in a match.
- A “concussion substitution” may be made regardless of the number of substitutes or moments already used.
- In competitions in which the number of named substitutes is the same as the maximum number of substitutes that can be used, the “concussion substitute” can be a player who has previously been substituted.
  - A player that has previously been substituted may only re-enter the field if all other substitutes have been used.
  - Exception: If the only remaining substitutes who have not entered the field are Overage players, and using them would violate the maximum of (3) Overage players on the field at one time, then the “concussion substitute” must be a youth player

who has previously been substituted. The Head Injury Substitution rule shall not allow for more than (3) Overage Players on the field at once.

- When a “concussion substitute” is used, the opposing team then has the option of using an “additional” substitute.
  - The Additional Substitute may only be used if all other substitutes or moments have been exhausted, unless it is made concurrently with the “concussion substitution.”
  - The Additional Substitute may be a re-entering player only if all other substitutes have been used, or if the only available substitutes would violate the Overage player rule, as mentioned above.
  - The Additional Substitute moment does not allow for “normal” substitutions to occur concurrently.
    - Ex. A team has used all (3) substitution moments and has used (5) out of (7) available substitutes. The team has an Additional Substitute available. When making the Additional Substitute, the team must send on one of the (2) players that have not played yet. The team cannot also send on their final player who has not played yet as a “normal” substitute.

#### Procedure

The substitution procedure operates in accordance with Law 3 – The Players (except as outlined otherwise below).

- A “concussion substitution” may be made:
  - immediately after a concussion occurs or is suspected;
  - after an initial three-minute on-field assessment, and/or after an off-field assessment; or
  - at any other time when a concussion occurs or is suspected (including when a player has previously been assessed and has returned to the field of play).
- If a team decides to make a “concussion substitution,” the referee/fourth official is informed, ideally by using a substitution card/form of a different color. In the USL Academy, Head Injury Substitutions will be pink.
- The injured player is not permitted to take any further part in the match (including kicks from the penalty mark) and should, where possible, be accompanied to the changing room and/or a medical facility.
- The opposing team is informed by the referee/fourth official that it now has the option of using an “additional” substitute.
- This option may be used concurrently with the “concussion substitution” made by the opposing team or at any time thereafter (except as outlined otherwise by the Laws of the Game). This substitute will not count towards the 3 moments, but it must be a player that has not previously been on the field. If all of the available substitutes have been on the field, the player may re-enter.

- If a team decides to make an “Additional substitution”, the referee/fourth official is informed, ideally by using a substitution card/form of a different color. In the USL Academy, Additional Substitutions will be blue.

#### Substitution opportunities

- Making a “concussion substitution” is separate from any limit on the number of “normal” substitution opportunities.
- However, if a team makes a “normal” substitution at the same time as a “concussion substitution”, this will count as one of its “normal” substitution opportunities and require a moment.

#### Substitution Passes

**(FINE 207 - \$25)**

Each team is provided USL ACADEMY substitution passes for use during league games. Seven (7) substitution passes, two (2) Head Injury substitution passes, two (2) Additional substitution passes, and five (5) Overage substitution passes should be provided to the home team and visiting team coaches. White substitution passes shall indicate normal substitution procedures. Pink substitution passes shall indicate a head injury sub. Blue substitution passes shall indicate an additional sub (opposing team during head injury substitution). Green substitution passes shall indicate an Overage Player is entering the field.

#### **Rule 208 – Competition Format**

The USL Academy League will consist of three (3) seasons (Spring, Summer, and Fall) and Playoffs at the conclusion of the Fall Season. Teams will compete within regional divisions to qualify for playoffs. It is the expectation that teams that are eligible to qualify, participate in the postseason event, and fines may be imposed for those unable to do so. Standing from the regular season play will dictate placement into the Playoffs or Showcase division.

#### Postseason Qualification

USL Academy CLUBs may qualify for playoffs provided they have met the following criteria:

- Minimum of (12) games played during LEAGUE
- Minimum of (7) months active as a CLUB (i.e. preseason and two seasons)
- Minimum of (23) available and registered players

The top team from each division based on points-per-game will qualify for the playoffs (only if that specific division was active for two out of the three seasons). If a wildcard team is required due to an odd number of divisions, the wildcard will be the next highest team based on points-per-game for the entire LEAGUE.

#### Schedule

The Academy Staff will provide a preliminary scheduling matrix prior to the beginning of each Season. Teams will self-schedule within each regional division and submit their schedule to the league for approval. A Play-to-Rest ratio is required:

- Minimum Scheduling: a minimum of (6) league games must be played throughout each 3-month season
- Maximum Scheduling: a maximum of (12) league games may be played throughout each 3-month season
- Minimum 18-24 hours rest between games
- No more than two (2) 90-minute games within a four-day period
- No more than four (4) 90-minute games within a seven-day period
  - Exception: When League-approved, Clubs may schedule a tournament-style event similar to USL Academy Cup
- Weather delays/cancellations may be taken into account

#### Venue/Kick-off Times/Turnaround Time

The Academy Staff shall set the dates of all Academy competitions. The venues and specific kick-off times of the Academy games shall be proposed by the home team, subject to the approval of the Academy Staff. The home team shall submit venues and specific kick-off times to the Academy Staff for all Academy games by a recomunicated date before the start of each season so visiting teams can make the appropriate arrangements or offer objections for the Academy Staff's consideration. All clubs must provide a turf or synthetic alternative in the event of inclement weather.

Evening games may only be played at venues with appropriate lighting installations.

#### **Rule 209 – Game Lengths**

Each USL Academy League Match will consist of (2) two, forty-five (45) minute halves. Each half will be separated by a fifteen (15) minute halftime.

If the game is tied at the end of regulation during the regular season and group play during Academy League Finals, the final score will remain a tie.

#### Official Time

Official time will be kept on the field by the referee. The amount of extra time in each half will be conveyed by the Referee to the Fourth Official or Assistant Referee. The Fourth Official/Assistant Referee will then display the appropriate time left in the match.

#### **Rule 210 – Eligibility**

All players and coaches must present their digital match roster to the referee prior to each game. If the individual's picture is not on the digital match roster, the individual will not be eligible for the

game. Passes from any other league are not accepted for USL Academy League games, no exceptions.

#### **Rule 211 – Incomplete Games**

In the event a game cannot continue through full regulation tie, the game will only count if one-half of the game was completed. If a game is suspended prior to the expiration of the first half due to inclement weather or extenuating circumstances, it will resume within 24 hours (or some other date/time agreed upon by the competing teams and the LEAGUE office) starting at the same minute that the game was originally suspended and with the same score

#### **Rule 212 – Team Arrivals and Departures**

All clubs requiring flights as part of their travel acknowledge that their team will arrive in the host city by the evening before their first match, or sooner. (Ex: if a team plays on Friday and has to fly in, they are expected to arrive by Thursday night).

Following the conclusion of the event, USL will make best efforts to schedule each team's last game with enough time for them to travel back to their home city that same day. However, this is subject to change due to game delays and postponements. Teams with greater travel demands are welcome to make special requests to the League Office ahead of time.

#### **Rule 213 – Game Rescheduling**

Once final schedules have been submitted to the LEAGUE office by the CLUB, all subsequent schedule changes must be approved by the LEAGUE office and the opposing team. A team cannot change more than 50% of its originally scheduled matches during the regular season. Changes will not be processed unless a new date is provided and no changes will be accepted within **7 days** of a game except under special circumstances to include: weather, State Cup, and health-related issues. CLUB requesting a change within the 7-day window due to exceptional circumstances, as defined in the published league procedures, **must pay referees within 7 days of the originally scheduled date**. If payment is not made to the referees, the club will forfeit the payment from its security bond. Clubs will have 7 days to submit payment to Referees. A violation of this rule will result in a \$50 fine. **Approved game changes with new dates are subject to a fee of \$35. Approval solely by e-mail outside of MOD11 is not acceptable.** A violation of this rule will result in a fine of \$50.00 USD. Clubs must consider the Play-to-Rest Ratio when attempting any reschedules.

#### **Rule 214 – Game Delays and Postponements**

In the case of a game delay, the Home Team shall immediately communicate the delay, via phone, to their LEAGUE Manager. The LEAGUE Manager shall distribute Emergency Game Day Contact Numbers to all teams prior to the start of the season. It is imperative that the rules and procedures of this section are explicitly followed in determining whether to delay, postpone, or cancel a game. If the kickoff is delayed because the visiting team arrived late, the visiting team shall be fined in

accordance with league standards. The home team, in consultation with the LEAGUE Managers and referees, shall determine the start time for any delays in excess of twenty (20) minutes.

#### Restart

Once a delay has ended, the match shall resume from the moment the referee stopped the match. Teams shall be given a chance to warm-up prior to restarting the match. The following are recommended warm-up times based on the length of the delay (coaches may agree to a different time, to be approved by the LEAGUE)

- A. 10 minute delay, 5 minute warm-up
- B. 10 to 30 minute delay, 10 minute warm-up
- C. 30 to 60 minute delay, 15 minute warm-up
- D. Over 60 minute delay, 20 minute warm-up

#### Canceling/Postponing a Game Prior to Start

A game may be postponed no earlier than two hours prior to kickoff due to inclement weather, or situations considered Acts of God, unless agreed to by both teams and the LEAGUE. Exception: In a case where a third party (stadium/facility owner) closes a stadium, a game may be canceled more than two hours prior to kickoff, provided the LEAGUE and both teams are notified in writing by the stadium owner/managing authority.

#### Authority to Delay or Postpone a Game

Once in process, a USL Academy game may only be delayed or postponed due to:

- A. A lack of preparedness of one or both teams to begin playing a game OR
- B. Unfavorable weather or other adverse conditions beyond the control of the participating teams, which would make the playing of the game impractical or dangerous. Only the referee and USL Academy staff have the authority to delay or postpone a scheduled USL Academy match. The referee, upon arrival at the facility/field, has the final word on delays due to weather.

#### Grace Period before Abandoning a Game

Unless both teams, the Referee, and USL ACADEMY agree to an alternate plan, teams must wait a minimum of one (1) hour before abandoning a game that has been delayed regardless of circumstances. This is not an aggregate time for multiple delays but rather one (1) hour from the time of the most recent delay. The Home Team, in the presence of the Referee, must immediately notify the LEAGUE Manager via phone, of any postponement issues. The one-hour grace period may be extended, up to a maximum of three (3) hours from the time the match is delayed if there is a likelihood of resuming the match that day. Given the difficulty and cost of rescheduling, every attempt should be made to continue the game. The LEAGUE Manager has the final say on the length of the extended grace period due to weather. **A match may not be abandoned before the LEAGUE Manager is contacted.** If the LEAGUE Manager or another USL ACADEMY official is

unavailable, the Referee shall be the final authority. If the first game of a doubleheader has been delayed, the feasibility of completing the second game will be taken into account when determining an extended grace period. In the event a delay lasts longer than three continuous hours or would resume play after 12:00 AM local time, the LEAGUE has final say on the length of the extended grace period due to weather.

#### Game Cancellation/Postponement Criteria

Unless otherwise approved by the USL Academy, game cancellations/postponements should occur only in the most serious circumstances; however, the personal safety of participants, personnel, and the spectators must always be highest priority. Factors that the referee and USL Academy shall consider include but are not limited to: difficulty in rescheduling the game, current and forecasted weather conditions, travel conditions and the current whereabouts and availability of teams and officials.

#### Advanced Preparation (Lightning)

Teams must take the following steps prior to season to prepare for severe weather. These guidelines must be developed in coordination with the venue and submitted to the league office no later than February 1st. The Advanced Preparation plan must include the facility's radius in which the field of play is deemed un-safe to play. Also, it will need to include the length of time that is required to wait after the most recent lightning strike.

#### Before Officials Arrive at Venue

In the event a match is to be terminated less than 12 hours prior to kick off due to unforeseen problems, the home team shall immediately contact its LEAGUE Manager to expedite the communication process to assigned referees. The USL ACADEMY Referee Department will then notify the designated official at the National Federation, who will in turn make every effort to notify the referees of the change. It is imperative that all contact numbers for referees be available to the National Federation for such situations. Please contact the National Federation designee before departing for the match if uncertain of the match's status and if there is reason to believe there may be a postponement due to inclement weather.

#### Referee "No Show"

In the event the assigned referee crew does not arrive at least one (1) hour before the scheduled kickoff time, the Home Team should immediately contact their LEAGUE Manager. Should none of the assigned referees be present at the official kickoff time, the teams must wait a minimum of one (1) hour before the possibility of postponement is considered. Again, no game may be abandoned or postponed due to lack of referees until at least one (1) hour has passed since kickoff. After one (1) hour from the original kickoff time has elapsed, the LEAGUE Manager will make a decision as to whether the match should be postponed and rescheduled, or further time should be allowed (only in the event of referees on their way to the venue). Active and certified Federation referees must be used as replacements in order for the match to be deemed official. Prior to sending

replacements, USL ACADEMY and the respective Federation will determine on a case-by-case basis whether the substitute referees are of sufficient experience and ability to handle the match. Under no circumstances will the replacement referees have less than State or Provincial certification.

#### Incomplete Game

In the event a game cannot be completed, the game counts if the entire 1st half was completed. If any match is suspended prior to the completion of the 1st half due to inclement weather or extenuating circumstances, it will resume at a date/time agreed to by the competing teams in consultation with USL ACADEMY and will start in the same minute in which the match was suspended. Every effort must be made to resume the match within the next twenty-four (24) hours. If the game is resumed after the 24-hour period has passed, either team may have a maximum of three (3) changes to their Official Game Day Lineup sheet. Any changes to the lineup on the field, after any of the three (3) changes to the Official Game Day Lineup sheet are made, count towards the substitution allotment. USL ACADEMY reserves the right to declare a full replay at its discretion in order to protect the integrity of the competition.

#### Termination Procedures for Single-Match Playoff Series

If the match is tied, the first half is completed, the one hour waiting period is fulfilled and there must be a winner to advance, then the following will occur:

- Regulation: If terminated during regulation, the match will be resumed at the next possible opportunity and played to completion beginning from when the play was stopped in the second half and will conclude at either ninety (90) minutes or within overtime, followed by FIFA Kicks from the Mark if necessary.
- Overtime: If terminated during Overtime, the match will resume at the minute that the match was terminated, followed by FIFA Kicks from the Mark if necessary.
- Back-to-back: If the teams are scheduled to play the following day, then the match will resume the next morning, starting with the overtime period, followed by Kicks from the Mark, if necessary.

\*USL, at its sole discretion, reserves the right to continue any playoff match starting immediately with Overtime and FIFA Kicks from the Mark, taking into account travel and field circumstances as well as any other pertinent information. Every attempt will be made to decide the result on the field of play.

#### Rescheduling a Postponed Game

Any postponed game must be rescheduled within seventy-two (72) hours of the original date of the game and must be replayed no later than the second to last weekend of the regular season (Spring, Summer, Fall).

#### Rescheduling Considerations

USL ACADEMY shall have the authority to review all the facts, (including fault on the part of either team, unavoidable conditions, expense for both teams, and requests by a team to take a particular action in the best interests of USL ACADEMY and its teams) in determining whether and when a game shall be rescheduled, who should bear the financial burden as a result of cancellation or rescheduling, whether the game should be forfeited or cancelled permanently, and whether other fines should be levied. The integrity of the LEAGUE and the Home Team schedule shall be given considerable weight in the resolution of these matters. Unless the sanction or remedy is set forth specifically in any USL ACADEMY rules or regulations, USL ACADEMY shall decide what action to take, and its decision shall be final.

#### Written Explanation of Postponement

Whenever a game is postponed or canceled, the LEAGUE must receive within 48 hours of postponement or cancellation, a written notice of why the game was not completed or played, including, if necessary, and a statement from the owner of the Venue / playing facility.

#### Venues Clearances are Final

Once a team has approved its individual schedule and the LEAGUE Schedules are officially released, the LEAGUE will not automatically accept a postponement or cancellation of a game because a Venue is no longer available. It is the Home Team's responsibility to find a league-acceptable alternate venue, if necessary, on the originally scheduled date.

#### **Rule 215 – Forfeits**

Should any team associated with the CLUB fail to appear at a scheduled USL Academy game, the CLUB shall incur a forfeit fee of \$600 per incident. Other penalties for forfeits are as follows:

- A. A loss of three (3) points in the LEAGUE or competition standings and a 3-0 win to the opposing team.
- B. The team that forfeits may be precluded from participating in any future USL Academy League events, per LEAGUE review and at the LEAGUE's discretion.
- C. The CLUB must send full fees to the referee assignor and each referee assigned to the game within five (5) business days.
- D. The LEAGUE will have the discretion to remove any teams for not complying with the LEAGUE schedule.

A team unable to attend a scheduled game because of an accident or weather should immediately notify the opponent, the LEAGUE office, and the referees via telephone or E-Mail. Each situation will be reviewed by the LEAGUE office, which shall render a decision that may be appealed through LEAGUE RAD procedures (refer to Review, Appeals & Discipline section of the manual).

#### Non-Performance by the Home Team

In the event the visiting team is present at the venue and willing and/or able to perform, but the home team is unwilling and/or unable to provide a venue or fails to show at the scheduled venue and time, all Forfeit penalties as previously listed apply, in addition to compensation to opponent as set forth below:

- Compensation will be outlined by limited to expenses submitted by the LEAGUE. Visiting team may not seek additional compensation.

#### Non-Performance by the Visiting Team

In the event the home team is present at the venue and willing and/or able to perform, but the visiting team is unwilling and/or unable to provide a venue or fails to show at the scheduled venue and time, all Forfeit penalties as previously listed apply, in addition to compensation to opponent as set forth below:

- Compensation will be outlined by limited to expenses submitted by the LEAGUE. Visiting team may not seek additional compensation.

#### Non-Performance by Both Teams

In the event neither team is prepared to commence the playing of a game at the scheduled kickoff time or does not complete such game, and the game is not played to a conclusion that day, USL ACADEMY may reschedule the game, or declare the game a Forfeit by both teams with applicable Forfeit penalties enforced as previously listed.

#### **Rule 216 – Liability**

CLUBs within the LEAGUE assume all risks, responsibilities, and liabilities for loss, damage, injury or death while using property and facilities during games in the LEAGUE, whether such loss, damage, injury or death be occasioned by the team or by the LEAGUE, its officers, agents or otherwise.

#### **Rule 217 – Referees**

##### Assignment

Match Officials will be assigned in cooperation and coordination with the United States Soccer Federation's Referee Department, or any other respective national and local assignors as applicable. Academy League Games shall have a Referee, AR1, AR2, and 4<sup>th</sup> official.

##### Payment

**(FINE 217 - \$100)**

**NOTE: Referees should fill out and bring printed copies of their W-9 form to each game. CLUBs may request a copy for payment purposes.**

Referee fees will be split between the Home and Away teams and paid via cash or check at the field. Teams should bring the exact bills detailed below (or smaller denominations) so that change

will not have to be made. Home teams will be responsible for paying additional referee expenses (see below). The pay scale for referees is listed below:

AGE	U19
Referee	\$90
AR1	\$60
AR2	\$60
4 <sup>th</sup>	\$40
Team Split	Home: \$125 / Away: \$125

Cash denominations: Each team should bring cash in the following denominations, or smaller: (6) \$20 and (1) \$5. Referees are not required to make change.

Check amounts: Each team should prepare checks for each referee in the amount of half of the total value. The Center Referee should receive (1) \$45 check from each team. Teams should also have blank checks available for Referee Expenses.

The fees for officiating games are set by LEAGUE, and subject to regular review. Referees, Assistant Referees, and 4<sup>th</sup> Officials are eligible to be compensated for services if they:

- Arrive at the proper time and perform assigned services.
- Review game report for completion and accuracy followed by submitting a digital match report through MOD11 as outlined in the referee handbook
- Arrive at the proper time, unless for some reason the game has been already postponed without the referees being properly notified in advance due to an error by the league or teams.
- Arrive at the proper time and either of the competing clubs fails to appear for the game.
- Perform assigned services, but for some reason, the game is not completed.

### Expense Reports

Officials are eligible for coverage of travel expenses via the Referee Expense Report. Officials wishing to recover expenses will be required to submit this form to the Home Team prior to the start of the game. Center and Assistant referees are able to submit expenses for their trips depending on the round-trip mileage they accumulate and the overall time spent between departing their home and returning. Home Teams are responsible for paying additional expenses incurred by the officials. Referees must notify the LEAGUE and the Home Team of their anticipated expenses prior to arriving at the venue, and complete and turn in the form prior to kick-off. The Referee Expense Report can be found on the group home page in GameOfficials. Home Teams should have printed Referee Expense Reports available as well. The Home Team must provide payment of expenses no later than the conclusion of the match via cash or check. Any matters pertaining to the payment (or lack thereof) of fees should be addressed to the appropriate LEAGUE

---

Manager. In the event of a disputed expense item, all remaining match and expense fees are to be paid at the completion of the match and the LEAGUE is to be notified in writing for a ruling and subsequent payment if applicable. Referees who fail to provide completed forms to the Home team prior to kick-off will not be reimbursed.

Nonpayment of Referee Fees & Expenses

All teams, professional and amateur, are under a strict requirement to pay officials within seven days following a match. Officials must notify the appropriate LEAGUE Manager in the event of non-payment and/or any payment(s) that are returned from a bank.

Technology

The use of technology (Ex. Communication Headsets) is prohibited. However, league-approved referees will be allowed to use technology in certain, league-approved matches, such as league Finals. LEAGUE will discuss the use of technology with the referee crew prior to team check-in, should LEAGUE decide to allow the use of technology during that specific match.

## **300 – Discipline and Conduct**

### **Rule 301 – Disciplinary Authority**

The USL Academy shall have the authority to suspend, fine, or disqualify players, team officials or competing clubs for violating LEAGUE rules or for any action or conduct not in the best interest of soccer or the USL Academy. The USL Academy hands down any final decision on a breach of rules. CLUB and its players must abide by all decisions of game officials during games. Once the USL Academy Disciplinary Committee has conducted its review of disciplinary matter, all announcements of the Committee's decisions shall be coordinated through the USL Academy.

A sending off will result in a minimum of a one (1) game suspension. The Disciplinary Committee at the LEAGUE office will determine if further punishment is required. CLUBs cannot appeal a single game suspension for a red card. CLUB can appeal any additional suspension levied by the LEAGUE.

### **Rule 302 – USL Academy Disciplinary Committee**

A panel of individuals from the LEAGUE office shall conduct the review of disciplinary issues. Such a panel will consist of at least three (3) people on the USL staff, one of which includes the senior LEAGUE Director.

The USL ACADEMY Disciplinary Committee is charged with the responsibility to enforce the playing rules and allow for a competitive, but fair, environment for all teams to compete against each other. To ensure that this element is provided to our participants, USL ACADEMY examines Player and Coach behavior and monitors referee performance to make certain that the on-field product of USL ACADEMY competition is of the most entertaining and attractive possible. A panel of at least three USL ACADEMY staff members, consisting of the pertinent senior LEAGUE Manager, Technical Director, and Referee Services Coordinator, shall conduct the review of critical disciplinary issues. An alternate LEAGUE Manager may be utilized in the event any of the three members above are unable to participate.

### **USL Academy Technical Committee**

In the event that the decision of the USL ACADEMY Disciplinary Panel's ruling is challenge, by way of formal appeal the USL ACADEMY Technical Committee will review the appeal. The USL ACADEMY Technical Committee is comprised of four LEAGUE appointed members, consisting of a representative from each of the Four (4) Conferences. This panel is charged with the responsibility of reviewing any disciplinary matters deemed worthy of increased disciplinary measures (i.e., escalating a yellow card to a red card). The committee also has the ability to review disciplinary matters deemed worthy of mitigation (i.e., reducing an established minimum suspension length). When an appeal has been submitted in a particular conference, the three (3) members of the panel will review the appeal, excluding any bias from the members of the conference in which the appeal was submitted (Ex. Appeal submitted from a team in the Eastern conference, the Western, Central

and Southern Panel members will review the appeal) Any disciplinary decisions rendered by the USL ACADEMY Technical Committee will be final and cannot be appealed. A unanimous decision must be reached in order for any discipline to be altered by the Panel.

#### Disciplinary Process

USL ACADEMY disciplinary issues (including all send-offs) reported by the Referee shall be reviewed by the three-person USL ACADEMY Disciplinary Panel (a panel of at least three members of USL ACADEMY LEAGUE Management) via match videos, official reports, individual accounts, and other pertinent information. Depending on the timeliness of the reports and match videos, the Panel will make every effort to rule on all cases from the preceding week and issue these rulings by Wednesday of each week.

Every disciplinary incident (send-offs) shall be reviewed individually to ensure that players are not over-penalized, either by the number of matches served or fines. USL ACADEMY has the authority and reserves the right to levy additional suspensions or fines (above the minimum for that type of infraction) if a review of the incident warrants such action.

The USL ACADEMY Disciplinary Panel shall only act in contravention of a referee's ruling on the field when a play, or the consequences of a play, are of an egregious or exceptional nature OR in circumstances where the referee did not see the play in question and USL ACADEMY has sufficient and convincing evidence that a serious infraction occurred.

#### **Rule 303 – Serving Suspensions During Regional/National USL Academy Events**

Any player and/or coach sent off/dissmised during a USL Academy League game will be suspended from the next USL Academy League game. Any player or coach serving a suspension must not be listed on the 18-Man Game Day Roster. If a player receives a red card in the final game of a regional or national event, the suspension will carry over to the following season. The USL Academy Disciplinary Committee reserves the right to assess further or limited penalties depending on the severity of the incident. The infractions below will result in the following minimum suspension lengths and fines:

- Spitting – Two (2) Games Minimum, \$150 Fine
- Biting – Three (3) Games Minimum, \$250 Fine
- Referee Abuse – Two (2) Games Minimum, \$150 Fine
- Referee Assault – Five (5) Games Minimum, \$500 Fine
- Zero-Tolerance Policy Violation - Five (5) Games Minimum, \$500 Fine

Any player who is suspended from a match in any USL ACADEMY event will serve their suspension in accordance with the LEAGUE in which the suspension occurred. USL Academy competitions are treated under the same LEAGUE. Should the player be loaned or transferred between LEAGUES

within the USL ACADEMY, the suspension will become the amount of time that must elapse until the player is once again eligible to play in the LEAGUE in which the suspension was received.

#### Examples

- Player X, suspended for one USL Academy League match, is loaned to a USL Professional club to “play out” the suspension. Player X is not permitted to play until the day following the date of the match that he is suspended for in USL Academy League.
- Player Y is suspended in the final match of the USL Academy Cup. Player Y is to serve the suspension at the next available USL Academy competition in which they are registered and rostered for. If they are playing in USL Academy League, it will be the first League match they are approved for. If they do not play in USL Academy competitions until the following USL Academy Cup, they will be suspended for the first match of that Cup.
- Player Z is on loan to USL from the USL Professional club and is sent off. The player’s loan expires, and they return to their original club without serving a USL suspension. The LEAGUE Master Roster, located on the official LEAGUE website, is the official player roster of the CLUB. There are four designations for players on the roster: Part-Time Youth Player, Full-Time Academy Player, Part-Time Senior Youth Player, and Part-Time Senior Overage Player:

PT Youth: designated for players that are dual-registered with their local youth team (i.e. youth affiliate CLUB, high school team, ODP, etc.). To maintain this status, players must train at least once per week in the USL-AL environment and will be limited in the minutes they play USL-AL games.

- High School Participation: contingent on High School State Association guidelines, CLUBs may allow PT Youth players to compete with their high school teams.

FT Academy: designated for players that train and compete full-time within the USL-AL environment

PT Senior Youth: designated for players that are dual-registered with their local USL Senior Team (in USL Championship, League One, or League Two), and may primarily train and/or compete within that environment

- Professional Players: age-eligible players with contracts at the professional level with the USL senior team can be rostered as a PT Pro player for USL-AL participation

**\*\*Note:** Players wishing to maintain collegiate eligibility must not play *with* Professional Players, but may play *against* them.

The only official roster of eligible players will be located on the LEAGUE website and is the responsibility of the CLUB to manage. #### **Rule 604 – Professional Player**

A professional player is a player who signs a professional registration form with the team's appropriate Federation, a professional player contract with USL CH/L1 and receives or has received payment beyond actual and reasonable expenses for playing soccer. A professional player may only be registered with an academy team and may play for the team under the following instances.

- The player has been signed to their Academy's Senior Team
- The Player is not being paid to play on the Academy Team
- The team understands that this player could jeopardize current Collegiate players' eligibility if on the same team.

#### **Rule 605 – Amateur Player**

An amateur player is a player who signs an amateur registration form with the team's applicable Federation, an amateur registration form with USL, and does not receive payment for playing soccer. Amateur players may be reimbursed for actual and reasonable expenses as allowed by the applicable Federation, USL, NCAA or NAIA rules. An amateur player may only be registered with one USL ACADEMY team and may not be loaned to another team. Because amateur players are not held to contracts, they are free to leave a team at any time, provided he returns the team's equipment. An amateur player may be registered simultaneously with both a USL ACADEMY professional and a USL ACADEMY amateur team.

An amateur player that has been registered with one team, amateur or professional, for at least one-half (50%) of its regular season games may not play for another team in the same League without written authorization from the original team. USL ACADEMY will reserve the right to review a player's appeal if he is denied permission to play for another team.

A player who wishes to sign with a professional team as an amateur must have completed their Collegiate Eligibility or be advised that upon signing as an amateur player on a Professional team,

they lose all Collegiate eligibility. An amateur player may only be registered for the playing year, which begins the first of the year (Jan. 1) or not more than sixty (60) days prior to the first league game and extends through the last league competition.

#### Amateur Reinstatement

A professional player who is currently registered with any team can be reinstated as an amateur only with the permission of that team and the Amateur National State Association or Professional League with which the team is affiliated. An application for reinstatement to amateur status must be made on the **USSF Amateur Reinstatement Form** and both the completed form and the applicable fee (\$50.00) must be filed with the appropriate Federation. The Federation shall issue approval of the reinstatement to amateur status within fourteen (14) days after receipt, appropriate fees, and compliance with Federation rules. However, the player's reinstatement to amateur status is not effective until the day after the thirty (30) daytime period has elapsed from the day that the player competed in his last match with his/her team as a professional player. This is in accordance with FIFA's Regulations Governing the Status and Transfer of Football Players.

A professional player who is not currently registered as a professional player with any professional division team or league, who has not been a party to a professional player contract with a professional division team or league for a period of one year or longer, and who has not applied for reinstatement as an amateur, shall be automatically reinstated to amateur status by the Secretary General unless the player affirmatively states in writing that he/she does not wish to be reinstated to amateur status.

#### Amateurism

Collegiate student-athletes represent a large portion of many amateur teams. Teams playing in USL ACADEMY Amateur Leagues are required to follow strict guidelines set forth by the NCAA and USL ACADEMY so as not to endanger the eligibility of players. The following guidelines are specific items taken from the NCAA Rules and Regulations Manual and apply not only to USL ACADEMY amateur teams but also USL ACADEMY professional teams. Teams will be notified should there be any changes in the rules.

"Collegiate Players" for purposes of the USL Academy shall mean any student-athlete, as described by the NCAA.

The NCAA classifies "student-athletes" as individuals that have been enrolled in an NCAA member institution, and if enrollment in that institution was based, wholly or in part, on that individual's desire to participate in intercollegiate competition.

Further, if the individual has completed the NCAA Eligibility Center's initial eligibility certification process for amateur status, that individual is considered a "student-athlete." It is the CLUBS

responsibility to do its due diligence regarding the preservation of a players Collegiate Eligibility based on the players understanding regarding team composition

#### Collegiate Player Eligibility for USL ACADEMY Amateur Teams

##### Participation in Outside Competition

A student-athlete may compete outside of the institution's declared playing and practice season as a member of an outside team in any non-collegiate, amateur competition, provided:

- Such participation occurs no earlier than May 1<sup>st</sup>.
- The competition is approved by the institution's director of athletics.
- No class time is missed for practice activities or for competition.
- A student-athlete may compete outside of the institution's declared playing and practice season as a member of an outside team in any non-collegiate, amateur competition during any official vacation period published in the institution's catalog.

##### Limit on Number of Players from an Institution

There is no limit on the number of soccer student-athletes from the same Division II or III institution. However, in all three divisions, if more than five student-athletes from the same institution participate on a International tour, the International tour may have to be certified in accordance with the legislation applicable to an institutional International tour. Furthermore, as with Division I players, it would be impermissible for Division II or III student-athletes to participate on an outside team during their institution's intercollegiate season.
- The legislative services staff determined that high-school, two-year or four-year Collegiate prospects that have been accepted for enrollment in an institution and participate on an outside team with student-athletes from that institution's team is not included in the limitations governing the number of student-athletes with remaining eligibility.

##### Involvement of Coaching Staff

- No member of the coaching staff of a member institution may be involved in any capacity (e.g., coach, official, player or league/team administrator) at any time (during the academic year, vacation periods, and summer) with an outside team that involves any student-athlete with eligibility remaining from the institution's soccer team.

##### Reimbursement of Player Expenses for Outside Competition

USL ACADEMY Amateur teams are permitted to provide actual and necessary expenses or reimbursement to team members for those expenses during the season of league competition only if the expenses:

- Are reasonable for the amount for travel, meals, apparel, and/or equipment used by the individual for team purposes.
- Are for practice or competition and not an incentive or based on performance

### Involvement with Professional Teams

#### Tryout Before Enrollment

In soccer, prior to initial full-time collegiate enrollment, an individual may participate in a tryout with a professional team or league, provided he or she does not receive more than actual and necessary expenses to participate.

#### Tryout After Enrollment

After initial full-time collegiate enrollment, an individual who has eligibility remaining may try out with a professional athletics team (or participate in a combine including that team) at any time, provided the individual does not miss class. The individual may receive actual and necessary expenses in conjunction with one 48-hour tryout per professional team (or a combine including that team). The 48-hour tryout period shall begin at the time the individual arrives at the tryout location. At the completion of the 48-hour period, the individual must depart the location of the tryout immediately in order to receive return transportation expenses. A tryout may extend beyond 48 hours if the individual self-finances additional expenses, including return transportation. A self-financed tryout may be for any length of time, provided the individual does not miss class.

#### Outside Competition Prohibited

During a tryout, an individual may not take part in any outside competition (games or scrimmages) as a representative of a professional team.

#### Practice Without Competition Before Enrollment

In soccer, prior to initial fulltime enrollment in a collegiate institution, an individual may participate in practice sessions conducted by a professional team, provided he or she does not receive more than actual and necessary expenses to participate.

#### Practice Without Competition After Enrollment

- Receive any compensation for participation in the practice sessions.

- Take part in any outside competition (games or scrimmages) as a representative of a professional team.

#### Competition against Professionals

An individual may participate singly or as a member of an amateur team against professional athletes or professional teams.

#### Competition with Professionals

An individual shall not be eligible for intercollegiate athletics in a sport if the individual ever competed on a professional team in that sport. However, an individual may participate in competition with a professional on a team provided the professional is not being paid by a professional team or league to play as a member of that team.

#### *Exception – Competition Before Initial Full-Time Collegiate Enrollment*

In soccer, before initial full-time collegiate enrollment, an individual may compete on a professional team provided he or she does not receive more than actual and necessary expenses to participate on the team. (Adopted: 4/29/10 effective 8/1/10; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/10)

#### Professional Coach

Collegiate players (NCAA Div. I, II, III and NAIA) are permitted to play under a professional coach as long as the professional coach is paid by the amateur team. The NCAA guideline states that a professional coach does not cause the team to be classified.

#### Contracts and Compensation

An individual shall be ineligible for participation in an intercollegiate sport if he or she has entered into any kind of agreement to compete in professional athletics, either orally or in writing, regardless of the legal enforceability of that agreement.

#### *Exception – Competition Before Initial Full-Time Collegiate Enrollment*

Before initial full-time collegiate enrollment, an individual may enter into an agreement to compete on a professional team provided the agreement does not guarantee or promise payment (at any time) in excess of actual and necessary expenses to participate on the team.

#### **Rule 606 – Registered Player**

A registered player is a professional player or amateur player who has submitted all of the necessary registration documents as required by their team's applicable Federation and USL. Players competing on a team for which they are not on the master roster are considered illegal.

### **Rule 610 – Overage Player**

As an extension to the PT Senior registration status, clubs can utilize a new rule in USL Academy League to enhance the player development environment within those matches.

Game Day Implications: Moving forward, clubs may have the opportunity to name up to (5) overage Senior Team players to their 18-man USL-AL game day roster

- Overage Threshold: 20 years or older in 2022 (birth year 2002 or older)
- Only (3) Overage Players may be on the field at one time. Teams must use the specific Overage Substitution Pass when an overage player is entering the game. The team is solely responsible for abiding by this law.

Player Registration Process: All Overage Players must already be registered as an active player on the club's USL Senior Team and must also be registered to the club's USL Academy League master player roster.

- Senior Team Requirement: In order to register an overage player, he must already be registered to a USL Academy contract (amateur) or standard player contract (professional) with that club's USL Senior Team and must be eligible to compete in that respective competition.
- Master Roster Considerations: there is no cap to the number of Senior Team players that be registered as Overage Players to a club's USL-AL master roster
- SafeSport Compliance: any player born 2004 or before who is registered to the club's USL Academy League roster must complete SafeSport compliance

Team Profiles: through this new role, there are now (4) variations of team/roster make-ups that could take part in a USL Academy League match

- All Youth (Amateur): only includes amateur youth players (U15 – U19)
  - Note: players registered to a USL Academy contract (amateur) with their Senior Team would be eligible to play in this match
- All Youth (Pro/Am): only includes youth players (U15 – U19), incl. teenage players already on a professional contract with a CH/L1 Sr. Team
  - IMPORTANT: clubs utilizing professional youth players can NOT include collegiate players on those game day rosters
- Youth + Overage (Amateur/Collegiate): includes amateur youth players (U15 – U19), and overage collegiate players

- IMPORTANT: clubs utilizing overage collegiate players can NOT include professional players on those game day rosters
- Ex: League Two club that shares collegiate players (older than the U19 threshold) between their Senior & Academy teams, through the overage player rule
- Youth + Overage (Pro/Am): includes amateur and/or pro youth players (U15 – U19), and overage professional players
  - IMPORTANT: clubs utilizing overage professional players can NOT include collegiate players on those game day rosters
  - Ex: CH/L1 club that shares pro players (older than the U19 threshold) between their Senior & Academy teams, through the overage player rule

### **Rule 611 – International Player**

U.S. and Canada citizens are not considered International Players for the purposes of USL Academy roster regulation (Canada citizens will need an ITC). Documented Resident Aliens/Permanent Resident Card holders (in the United States only) shall not be considered International Players for teams. Additionally, documented refugees and asylees (in the United States only) shall not be considered International Players.

#### International Player Visa

USL requires a copy of any visa for international players. The USL ACADEMY Registrar and Legal Department will securely keep a copy of these Visas on file. Teams are responsible for ensuring proper immigration paperwork/visas for all international citizens (in accordance with Federal Law).

### **Rule 612 - International Clearance**

**\*\*The ITC process is strict and necessary for players meeting the criteria outlined below. USL is not responsible for ITC clearance. US Soccer is the final organization that provides certification. USL recommends that Clubs begin processing ITC requests no later than one month prior to the first game of the season. However, you may begin submitting information as soon as you are able. The process typically takes 20-30 days, however it can take much longer in some instances. USL representatives can offer assistance in determining which ITC Minor Exclusion or ITC Adult forms to submit, but cannot help in speeding up the process once paperwork has been submitted to US Soccer.\*\***

An international clearance is an official release from a foreign national association. U.S. Soccer department of Player Status is responsible for processing all registration requests for international clearances, both professional and amateur. The services provided and processed by Player Status are obligated to be compliant with FIFA regulations as outlined in the FIFA Regulations on the Status and Transfer of Players.

The registration process and forms outlined on this page apply specifically to players wishing to register for clubs/leagues/teams solely based in the United States, regardless of player's nationality. Players wishing to participate in clubs/teams/leagues outside the United States should contact the local Member Association (MA) / Federation to inquire about the processes and forms required to register locally. The international clearance requirements are the same as these are regulated by FIFA. A list of FIFA Member Associations can be found [here](#).

#### International Clearance Registration Requirements

Per FIFA's Regulations, the international clearance process is required when any foreign-born player over the age of 10 is attempting to register with an affiliated club/team/league in the United States, regardless of that player's soccer ability or citizenship and one or both of the below instances apply:

- **Player was born outside of the United States, including U.S. citizens born abroad.**
- **Player previously registered with a club/team/league outside of the United States.**

The home association, U.S. Soccer, is responsible for obtaining the clearance on behalf of these players prior to their registration and participation with any U.S. Soccer affiliated club/team/league. Clearance is required for ALL players who meet one or both of the above instances regardless of past practices, age, nationality, club affiliation, or member organization with which the player is registering/participating. Failure to adhere to the requirements can result in fines and/or sanctioning from both FIFA and U.S. Soccer.

### Best Practices for ITC:

Each application has specific submission requirements. Failure to follow these requirements will lead to the withdrawal of the application from the review process. To ensure the timely processing of all applications the following instructions must be adhered to:

- Criteria is provided for each clearance type to assist the applicant in selecting the appropriate form based on the players' CURRENT status, i.e., age, first registration, international clearance, minor applications.
- Applicants are responsible to submit all required information as outlined on each form.
- Information submitted is required to be accurate and complete
- Submit completed forms and all required document(s) in ONE (1) email to – [psd@ussoccer.org](mailto:psd@ussoccer.org) and copy local League/State Association.
  - Subject line should indicate form type and player name.
  - Form and documents must be in PDF format.
  - Each loaded separately and up to 5MB or less.
- Partially completed forms and/or applications missing documents will not be processed.
- Applications must be submitted at least 30 days\* prior to start of club/team/league play.
- For additional questions not listed in the FAQ section please send to [psd@ussoccer.org](mailto:psd@ussoccer.org) and in the subject line indicate – QUESTION.

The Player Status Department will contact applicants to provide updates on applications when available and/or required. Due to the high volume of applications received, kindly refrain from submitting emails requesting status updates as those specific requests will not receive a response.

\*Please note submitting at least 30 days prior to the start of club/team/league play does not guarantee the player will be eligible as some processes require both FIFA and U.S. Soccer approval.

## **Section 3 – USL Academy Review, Appeals & Discipline**

### **700 – USL Academy Review, Appeals & Discipline (RAD)**

#### **Rule 701 – Complaint**

A complaint is a request for assistance including, but not limited to, rules interpretation, a rule that may need to be created because facts require it, or a belief that something wrong has been done that requires correction. No complaint can overturn the result of a game but point forfeiture and other penalties may result from a complaint that has been upheld.

#### All Complaints must:

Specifically refer to the LEAGUE regulations or standards or USL Academy policy that is being violated. Please indicate the exact rule number when submitting complaint, if applicable. All complaints must be submitted using the USL-AL Multiuse Complaint Form.

#### **Rule 702 – Types of RAD**

The USL Academy has four (4) types of RAD. There are no additional types of complaints accepted, unless the USL Academy permits it. As a USL Academy, your team management and players agree to utilize this process exclusively for the for the resolution of all disputes. Each type has its own progressive steps of review and final resolution. Each type and each step have very exciting requirements, both in format and timing. The party that misses or errs in format and/or does not adhere to time schedules loses a complaint, all rights to proceed, and the decision, or in some cases, the non-decision.

#### RAD Complaint, Type 1 (Competition)

## **Section 5 – Code of Conduct**

### FIFA Code of Conduct

The LEAGUE will follow FIFA's Code of Conduct. It is just as important for parents and fans to know the Code of Conduct as it is the players and coaches. It is important that every player on the field understands this Code of Conduct before competing in their first match.

FIFA's Code of Conduct encapsulates all the sporting, moral and ethical principles for which FIFA has always stood for and which it will continue to fight for in the future regardless of the influences and pressures that may be brought to bear. The ten rules below not only serve as a credo for FIFA as the world football governing body, but they also reinforce the sense of fraternity and cooperation among the members of the worldwide football family.

#### **1. Play to Win**

Winning is the object of playing any game. Never set out to lose. If you do not play to win, you are cheating your opponents, deceiving those who are watching, and also fooling yourself. Never give up against stronger opponents but never relent against weaker ones. It is an insult to any opponent to play at less than full strength. Play to win, until the final whistle.

#### **2. Play Fair**

Winning is without value if victory has been achieved unfairly or dishonestly. Cheating is easy, but brings no pleasure. Playing fair requires courage and character. It is also more satisfying. Fair Play always has its reward, even when the game is lost. Playing fair earns you respect, while cheaters are detested. Remember: It's only a game. Games are pointless unless played fairly.

#### **3. Observe the Laws of the Game**

All games need rules to guide them. Without rules, there would be chaos. The rules of football are simple and easy to learn. Make an effort to learn them so that you understand the game better. This makes you a better player or coach. It is just as important to understand the spirit of the rules. They are designed to make the game fun to play and fun to watch. By sticking to the rules, you will enjoy the game more.

#### **4. Respect Opponents, Teammates, Referees, Officials and Spectators**

Fair Play means respect. Without opponents there can be no game. They have the same rights as you have, including the right to be respected. Your teammates are your colleagues. You form a team in which all members are equal. Referees are there to maintain discipline and Fair Play. Always accept their decisions without arguing and help them to help you enjoy the game more. Officials are also part of the game and must be respected accordingly. Spectators give the game atmosphere. They want to see the game played fairly, but must also behave fairly themselves.

### **5. Accept Defeat with Dignity**

Nobody wins all the time. You win some, you lose some. Learn to lose graciously. Don't seek excuses for defeat. Genuine reasons will always be self-evident. Congratulate the winners with good grace. Don't blame the referee or anyone else. Determine to do better next time. Good losers earn more respect than bad winners.

### **6. Promote the Interests of Football**

Football is the world's greatest game. But, it always needs your help to keep it as Number One. Think of football's interests before your own. Think how your actions may affect the image of the game. Talk about the positive things in the game. Encourage other people to watch it or play it fairly. Help others to get as much fun from football as you do. Be an ambassador for the game.

**7. Reject Corruption, Drugs, Racism, Violence** and other dangers to our sport. Football's huge popularity sometimes makes it vulnerable to negative outside interests. Watch out for attempts to tempt you into cheating or using drugs. Drugs have no place in football or in our society. Say no to drugs. Help kick racism out of football. Treat all players and everyone else equally, regardless of their skin color or origin. Show that football does not want violence, even from your own fans. Football is sport, and sport is peace.

### **8. Help Others to Resist Corruptive Pressures**

You may hear that teammates or other people you know are being tempted to cheat in some way. They need your help. Don't hesitate to stand by them. Give them the strength to resist. Remind them of their commitment to their teammates and to the game itself. Form a block of solidarity like a solid defense on the field of play.

### **9. Denounce those who Attempt to Discredit our Sport**

Don't be ashamed to show up anybody who you are sure is trying to make others cheat. It's better to expose them and have them removed before they can do any damage. It often takes more courage to denounce what is wrong than to go along with a dishonest plan. Your honesty will be admired but your complicity will not. Don't just say no. Denounce the culprits who are trying to spoil our sport before they can persuade somebody else to say yes.

### **10. Honor those who Defend Football's Good Reputation**

The good name of football has survived because the vast majority of people who love the game are honest and fair. Sometimes somebody does something exceptional that deserves our special recognition. They should be honored and their fine example made public. This encourages others to act in the same way.

Help promote football's image by publicizing its good deed
