Transfer Request

As a player, you must first request to be released from your current team, league, and/or district.

Release From

Player: Ethan Johnson
Gender: Male
Age Group: Under 12
District: Colorado Soccer Association
League: Soccer Connect Demo
Club: Soccer Connect Demo
Team: CS01-01CB12-0005
Force - BU12

Release Type

- I am requesting to be released, and I know the league & club I want to transfer to.
- I am requesting to be released, and I am unsure of which league or club I want to transfer to.

[Continue >>](#)

Two options will appear under Release Type.

Option 1: I am requesting to be released, and I know the league & Club I want to transfer to

Select this option if you know what Club, Play level, Age group and Team the player is being transferred to. Once approvals have been completed, this option will release the player from the current club and place the player in the new club and team.

Option 2: I am requesting to be released, and I am unsure of which league or club I want to transfer to

Select this option if you don't know what Club, Play level, Age group and Team the player is being transferred to. Once approvals have been completed, this option will release the player from the current club and place the player in a player pool. A transfer destination will need to be entered once the information is known.

Steps for Option 1: I am requesting to be released, and I know the league & Club I want to transfer to.

Select:

- District: Colorado Soccer Association
- League: Select the Club where the player is going to
- Club: Reselect the Club
- Play Type: Choose the play type of the team where the player is going
- Age group: Choose the age group of the team where the player is going
- Team: Select the team where the player is going. Please note that teams must be in active status in order to show up in this dropdown
- Reason: Select the closest reason that reflects why the release is occurring
- Comments: Enter any additional comments

Team Info Search

Step 5 of 5
Select the reason for transferring, add any additional comments and then submit the transfer.
