

Memo

To: All CSA Member Organizations
From: Nate Shotts, CEO of Colorado Soccer Association
Date: August 18, 2020
Re: Postponement of Fall 2020 Cups

Dear CSA Members,

Colorado Soccer Association (CSA) wants to help our clubs during these uncertain times. In fact, the survival of our clubs is of the utmost importance to CSA, and we want to assist in any way that we can. As was mentioned in our recent webinar, CSA's goal is to make the completion of the fall season our top priority. To do this, we have put all other CSA programs on hold. To help further, CSA has decided to postpone State Cup and Presidents cup until spring 2021.

CSA believes that doing this will allow clubs better opportunity to have a successful fall season by having access to more resources such as:

- Referees
- Field Space
- Time – More Saturdays available to complete games

Below is a **tentative** schedule for both, the high school boys and girls Spring State Cup and Presidents Cup:

Boys Season - Spring 2021

Practice Opens	Regular Season	Playoffs	Proposed CSA SC & PC	Cup Finals
3/1-3/4	3/4 - 4/17	4/17 – 4/22-24	4/17 play-in games begin	5/22/2023

Girls Season - Spring 2021

Practice Opens	Regular Season	Playoffs	Proposed CSA SC & PC	Cup Finals
4/26-4/29	4/29-6/12	6/15-6/26	3/5-7 play-in games begin	4/17-4/18

Keep in mind that dates can be adjusted a bit when needed. We really hope that this will help our clubs to have a more successful fall season.

Sincerely,

Nate Shotts
